Dear Potential, Donar(s),

The Little Miss Black Joliet Pageant is a Not-for-Profit Organization. All contestants and escorts are ages 7-12 and little girls and escorts ages 5-6. It was designed to uplift and build character, charm, poise, personality, and self esteem amongst the African American Community.

Little Miss Black Joliet Pageant is currently in the 41<sup>st</sup> annual year of existing. The vision is the same from 41 years ago. We aim each year to recreate and modernize the pageant and make lives of the young people better by instilling the same values of the late founder. With this, we are starting fresh financially in this new season of pageantry.

The pageant was designed to help these girls develop charm and poise. It also helps in developing their talent and prepares them for future pageants. It is about having a good time, making new friends, discovering new talents, and learning new skills that will stay with the young ladies for the rest of their lives.

Over the years of the pageant, it has evolved into social development of our young people's confidence, character, academic skills, and good citizenship along with exemplifying **Character, Leadership, Attitude, Scholarship, and Service (C.L.A.S.S.)**.

All the participants are winners!!!

In closing, the Little Miss Black Joliet Pageant would be honored if you would consider being a donor to help provide much needed items and accessories for our team.

Thank you in advance for your support and consideration.
